

Prospects in Scotland Prayer Month February 2020

The work of Prospects Across Scotland is based on prayer all year round but every February we have a designated month of prayer to encourage all our groups and friends to take some extra time to pray for this work - can your group get involved?

For our month of prayer, in the past some groups have held a prayer breakfast, pizza and prayer evening - often something involving food works really well. Sometimes involving a few people, the whole group or the whole church.

Perhaps you could set up a few simple prayer stations. Here are a few examples to get you thinking...

- **A prayer space or quiet area for people to spend some time with Jesus.** If you have fairy lights or lamps that can help make a space feel peaceful.
- **Display some photographs of members of your group (past and present), or pictures of well-known local places.** Pictures often help spur us onto prayer.

- **Use a collection of buttons of different shapes, sizes and colours. Give each person a button and pray for your Prospects 'family' by:**
 - Finding someone or a group with the same colour button and saying thank you to God for 'families'. Ask God to bless them and to help and love each other.
 - Find someone who has a different button to you- it could be different in shape, size or colour. Thank God for making everyone different and giving us all different gifts. Pray for the person you have found. Ask them what they would like God to help them with.
- **Pray for Prospects Thank God for what he has done in your life through Prospects.**

Have some prayer stations which are linked directly to the work of Prospects Across Scotland. Please have a look at the PowerPoint made specifically to help you do this.

You could use the map of Scotland on last page to help you pray over all the groups. As you do this be encouraged that others are also praying for you! Maybe you could send a card to another group to let them know you are praying for them.

Church based Groups - pray God's blessing on them

- | | |
|----------------------|--------------------------------------|
| • Aberdeen | Celebration Group |
| • Ayr | Shining Stars |
| • Baillieston | Prospects Group |
| • Brightons, Falkirk | Friends of Jesus Group |

| • Newton Mearns | Tom's Club |
| • Peebles | Share Group |
| • Stirling | Lifeway Group |
| • Strathaven | Aspire |
| • West Lothian | Breich Valley Friends of Jesus Group |

Pray for more churches to get involved and especially in areas where there are no groups. Pray for Ivy as she travels around Scotland supporting churches.

Pray for Prospects Across Scotland and the Trustees who work so hard to make sure our charity is run well and has the necessary funding.

Please pray for more people to help/get involved on our Board, in our Forum meetings, in the charity shop and possible new charity shop and in our groups.

Please pray for our Group leaders and members to be upheld in health and for God to raise up new leaders and helpers.

Give thanks for resources produced and ask God to help Prospects produce more resources.

Pray for those maintaining on our website, Facebook page and communicating with groups and leaders - that it will all be done to bring honour and glory to God.

Thank God that our present financial position is good but ask Him to guide us where to look for ongoing funding as Prospects Across Scotland develops.

Pray for New Initiatives that are in place and others that are being considered as possibilities.

Thank you for praying!

The work of Prospects is based on prayer. Please contact Jennifer if you would like our prayer diary and PLEASE let us know how you got on.
